-61-

west of Gambari. Elgood & Sibley (1964, Ibis 108 : 247) do not record it in their list of birds from Gambari, but its presence there is not surprising since the forest reserve is a relatively undisturbed region. One of the forest assistants told me that he has seen guinea fowl occasionally when cutting survey lines in the remote parts of the reserve.

D. C. D. Happold.

BIRDS RINGED IN NIGERIA 1968 - CORRECTION

In Bull. Niger. Orn. Soc. 6 (21):28 I reported that Pied Flycatcher Ficedula hypoleuca Ring No. 26642 had been found in Cyprus in 1965.

I have now heard from the Cyprus Ornithological Society to the effect that the bird was actually caught by a farmer using a long stick in April 1967.

R. E. Sharland.
