NOTICE TO CONTRIBUTORS

Malimbus publishes papers, short notes, reviews, letters and illustrative material. Contributions should be typed on one side of the paper with double spacing and wide margins. Wherever possible papers first should have been submitted to at least one ornithologist or biologist for critical scrutiny.

Textual matter will be retyped for offset printing, but FIGURES should be prepared as for final reproduction, allowing for 20 percent reduction, using Indian ink on good quality white paper, and Letraset and Letratone lettering and shading (or equivalent) as appropriate.

CONVENTIONS regarding tabular material, dates, numbers, metric values, references etc. should be carefully adhered to and can be sought in this and recent issues. Articles containing lengthy SPECIES-LISTS should be of tabular format (eg *Malimbus* 1: 22-28 or 1: 49-54) or of the textual format of *Malimbus* 1: 36-42 for short texts per species or *Malimbus* 1: 90-109 for longer texts.
