Notes

Almost all the Society's expenditures are in £ sterling. The combined deficit of £376 for the year 2009 was partly offset by an increase in value of the Euro against the Pound, from £0.7688 on 1 January to £0.8287 on 31 December, leading to a paper profit of £135 on the Euro balance of 1 Jan 2009. Hence the decrease in the combined balance since 31 Dec 2008 is only £241 (£376 – £135).

On behalf of Council I should like to thank Bob Sharland for his management of the accounts for almost half a century, for his assistance during the 2009 handover period, and for checking the present accounts and balances. I also thank Marie-Yvonne Morel for her continued management of the Euro account. As of 1 Jan 2010, all Treasurer duties pass to Tim Dodman, who also checked the 2009 accounts.
