EDITORIAL.

I have only two Society comments to make in this the last number of Volume 6, and both are concerned with the Secretary/Treasurer, Mr. R. E. Sharland.

- (a) Mr. Sharland, as an ornithologist, has generously offered to lend his Land Rover to anyone in the Society who would like to make the trip to Mallam Fatori, Lake Chad this coming spring to study Bird Migration.
- (b) Mr. Sharland, as the treasurer, has asked me to remind members that it is now 1970, and that subscriptions are already overdue! If you haven't yet paid please do so as soon as possible (see financial report at the end of this issue!).
